WHAT IS MAHARANA ?

In 1982, Jeevansingh Jain started Maharana with a mom & pop retail store. Initially, he found there is a need for quality and authenticity of indian traditional taste. This surprised him and drove him to take up the challenge of creating products based on customer's demand. The overwhelming response of customers pulled him to motivate the team to upgrade their creativity and production further.

Maharana foods works on the idiosyncratic conception of making "tasty food healthy, healthy food tasty". Our products are innovative, tasty, healthy, chemical and preservation free. Our products are the elite solutions for hunger pangs.

- ➡ We deal in Ready to Eat packaged food.
- ➡ We are in to manufacturing, processing, retailing and indirect exports sales.
- ➡ We develop and own more than 400 innovative products.

DNA :

Integrity, Innovation, Care

CORE IDEOLOGY :

We always contribute to the society by increasing our products and services reach to masses. All our products & services will be unique and valuable in nature.

VISION :

We will ensure our presence in pan india & 15 international markets by 2024.

MISSION :

To provide unique food products through constant innovation in traditional food with authentic home made taste & To make "TOBACCO FREE INDIA"

MANTRA :

Never Miss Traditional Taste.
