

SINCE 1965

WINNING HEARTS ACROSS THE WORLD

ABOUT US

Starting operations in 1965, the Ramdev group was one of the first to introduce spices in attractive and convenient consumer packs that had set a new trend in the Indian spice market.

At Ramdev, we have world-class infrastructure that is at par with global standards. It is spread over an expansive spices unit of 58,191 sq. yards & snacks (namkeen) unit of 1,17,000 sq. yards land. Our in-house Research & Development laboratory works in line with international research methodologies to analyse and improve various product categories. This has won us the global certifications for best food safety standards. The complete process of procurement, processing and packaging takes place under stringent quality measures to give our customers the finest food products of the world.

Today we are a globally trusted brand that is exporting a gamut of basic spices, blended spices, groceries, flour, instant mixes, snacks (namkeen), frozen vegetables, pickle-paste-chutney, khakhara-khari-toast to more than 23 countries around the world.
