About us...

Ramji Damodar Namkeen has started 10 decades back in 1900 by Shri Ramjibhai Damodardas Bhajiyawala. This traditional farsan business has grown to a well reputed brand today, and its success is the result of hard work put in by the team Ramji Damodar.

The tradition continued and today headed by their 4th generation.

Since its inception it became very popular not only in Surat, Gujarat but also in National & International market.

With our continuous innovations, we have managed to introduce various types of snacks in unique traditional taste, hence we are also called "The House of Variety Farsan."

Our unique selling point is "A CLASSIC TASTE IN THE FINEST TRADITION."

Our absolute adherence to superior quality standards has won us accolades from diverse clients and our namkeens, bakery, instant premix & other products get an opportunity to be sold domestic as well as international market.
